## 2008 Cultivating Inner & Outer Peace Retreat SCHOLARSHIP REQUEST

**PLEASE READ THIS:** In order to provide an accurate picture of available resources, we would like you to know that scholarship funding is limited. We do not expect to give scholarships to all, or even most, of those who apply. Please note also that we usually offer scholarships for expenses related to the learning rather than room & board. We use the following criteria in selecting recipients:

1. Potential of applicant to share NVC widely, especially among populations not already reached.
  2. Economic need, especially if resulting from circumstances beyond one's control.
  3. Previous Nonviolent Communication and related training and experience.
  4. Connection to a Nonviolent Communication community and previous contribution to an NVC community.
- (You are welcome to submit one letter of recommendation on your behalf)

**Scholarship Application Due Date:** To be eligible for consideration, please send this form accompanied by a Retreat Application Form to **The Mountain Retreat & Learning Center office by AUGUST 26, 2008.** Late applications will only be considered if we still have funds.
