

Scholarship Application

We strive to make Mountain programs available to all interested persons. However, The Mountain has limited scholarship funds, and scholarship awards are limited to 50% of the price of the program. We encourage all scholarship applicants to seek financial assistance from a variety of sources including congregations, friends, family, and personal fundraising efforts.

This scholarship application is for what Mountain program? _____

Name of Applicant: _____

Name of person completing application (circle one) SELF or Other: _____

Relationship: _____
